What is the Mexicali Commitment? This amount of money is your offering to the trip - the amount your family can give comfortably. The amount you select to commit is entirely up to you. Aside from passport costs, food while in California, and spending money, this is your only expense.

Please remember, regardless of the commitment amount, you are still part of your team and everyone must do their part in sending Aunt Polly letters and/or congregation letters to assist in raising funds for this youth mission trip.

My Commitment Amount is \$ _____
